

## Foreword

The thread that runs so truly through our yearbook concerns the issue of the involvement of youth in today's society. Techniques for involving students in decision-making must begin to play a major part in our educational system if it is to survive. Something productive must evolve from the energies of vociferous students when the communication barrier between them and adults is broken. It seems that the answer to our problems no longer is "to return to the basics of organizing society and to do anew much that we have done before." What the nation requires is: courage to experiment and to change in a dangerous world, willingness to relinquish wealth and time for the common good, regard for dissent and individuality; and respect for intelligence and the right to achieve happiness.

## Dedication

The Class of 1969 takes great pleasure in dedicating the Tiot to retired teachers Mr. James A. Dunn and Mr. John B. Kelley, who together have given sixty-two years of service to Norwood Senior High School.

### MR. JAMES A. DUNN

A sauve and polished gentleman With manners that could charm, A sense of humor sharp and keen Too subtle to cause harm.

A wardrobe chosen with great taste And worn with style and flair To our rather mundane corridors He really lent an air.

His gift for just the perfect word, His scorn for cliche's trite. Bespoke the independent man, Who knew when he was right.

### Dedication

Mr. Dunn was Chairman of the Mathematics
Department and Mr. Kelley was Chairman of the Business Department and School Treasurer. To each of these distinguished gentlemen we wish happiness and long life.

### MR. JOHN B. KELLEY

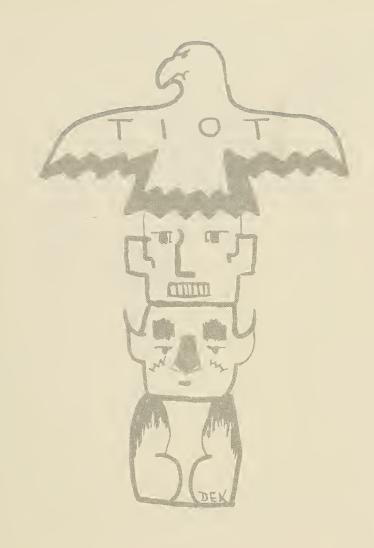

For many a year he graced our halls That baritone voice resounding. Its deep and velvety tones the walls Re-echoed with clearness astounding.

His rollicking laugh was heartening to hear; A party without him was stale. He said what he felt without malice or fear And with kindness that would not fail.

A man's man whom the women adored, His charisma reached high and wide. He was wise and witty and never bored, And as staunch as a rock in the tide.

### Origin of TIOT Name

Many moons ago, when the redman ruled this region, he gave it the name of TIOT, meaning "enclosure of waters" in the language of the Neponsets, a branch of the Algonquin tribe. A glance at the map shows how appropriate this picturesque name is, for Norwood is bounded on the north by Planting Field Brook and Purgatory Brook, on the south by Traphole Brook and the Neponset River, on the east by the Neponset River, and on the west by Hawes Brook and Germany Brook.

# Faculty

Every generation goes through some disquieting experiences because of disparity in values and interests. This is as it should be, because a difference in perspective is natural and inevitable. Teachers today must rely less on authority and more on leadership, if we are to become effective in re-shaping American education to meet the needs of the new youth. To impart knowledge is most certainly a primary function of education, but to help young people become responsible adults is even more important. To the exercise of this responsibility, a forward-looking faculty must truly dedicate itself. The teacher is the "last outpost of help." He can make or break a student's desire to become involved in the world. The teacher who can instill in his students, confidence in their own abilities, and who can inspire them to live up to the trust that is in them has made a lasting contribution to real education.

# Seniors

The members of the class of 1969 will soon be in the second wave of young people seeking to find meaning and purpose in the confusing perplexity of this modern world of complicated technology and burgeoning bureaucracy. This generation more than any other before gives greater importance to relating to people than to acquiring material wealth. Their activities, although frequently marred by a spirit of violence, are nevertheless directed toward national and international benefit in a truly personal sense. As we leave our high school years behind, we have learned that the surge of involvement is good only if it is constructive. We believe that discontent with the status quo keeps society as a whole more vital and meaningful. As individuals and in behalf of all individuals, we intend to commit ourselves to the spirit of brotherly love and to the goal of societal amelioration.

### CHERYL ABGRAB

17 Eisenhower Road Spanish Club; Pep Club 2, 3, 4; Junior Prom Committee; Senior Prom Committee; Senior Musicale.

## "We Were Strong and of Good Courage"

#### HISTORY OF THE CLASS OF 1969 OUR FRESHMAN YEAR

In September, 1965, we approached the Hill, armed with pencils and paper, new clothes and new hair styles, and a great deal of determination. Our debut at NHS was certainly to be a once-in-a-lifetime experience.

Our first class election resulted in this impressive slate of officers: President Barry Levine, Vice-President Marylee Clark, Secretary Ann Poniatowski, Treasurers Janet Ostrom and John Fitzpatrick, and A.A. Representatives Linda Reynolds and Steve Fischer.

'69's premiere social event, the Frosh Party, was held in October. The feature of the evening was a band competition, resolved by the audience, who chose by applause "The Aces" over the "The Hix."

Our athletes made a name for themselves as early as the freshman year. Football players included Tom Gugliotta, Dave Mogan, Jack Adelmann, Steve Fischer, Clyde McCray, Walt Litchfield, and Bill Mannion; the team placed second in the league. The basketball season was highly successful, ending a 12-2 co-champion record; the team included Captain Walt Litchfield, Steve Fischer, Clyde McCray, Norm Sacco, and Doug Fisher. The hockey team's second-place record was 4-2-4; Captains John Ranalli and Artie Harris piloted Jim Scott, Tom Taylor, Jeff Songin, and Gary Sortevik through the season.

The following students asserted scholastic prowess during the freshman year: Rich Bayer, Robert Burns, Ginny Burns, Kevin Chin, Jeanne Donnelly, Barbara Eisener, Pat Fanning, Sean Flaherty, Jim Hynes, Karla Johnson, Barry Levine, Tom Lydon, Dick Shay, Judy Shellmer, Barbara Tausey, and Don Twomey.

In all facets of NHS life, we had a fine year for a group of beginners.

#### "Now We Belonged"

#### HISTORY OF THE CLASS OF 1969 OUR SOPHOMORE YEAR

When we returned in fall, 1966, we were no longer the youngest and greenest on the Hill. Encouraged by this feeling of belonging, we forged ahead to new accomplishments in a school where we now felt at home.

Sophomore class officers were President Dave Mogan, Vice-President Marylee Clark, Secretary Ann Poniatowski, Treasurers Kathy Orme and Frank Ylijoki, and A.A. Representatives Elizabeth Acker and John Ranalli.

Our Sophomore Party was a great success. "The Wayward Moss" and the "Grim Reapers" supplied the musical entertainment, and a melodrama entitled "Wild Nell, Pet of the Plains" provided a humorous respite from the dancing. As the dance broke up, small groups drifted off to different parties to finish the evening, and the occasion was climaxed the next day with a class football game.

Sophomore athletes included football regulars Dave Mogan, Tom Gugliotta, Fred O'Connell, Steve Fischer, Jack Adelmann, and Bob Donovan: hoopsters Walt Litchfield, Tom Gugliotta, Dan McQuaid, Clyde McCray, and Norm Sacco; and hockey ace John Ranalli. '69's spirited cheerleaders that year were Kathi Donovan, Betsy Acker, and Janet Ostrom. All our athletes, cheerleaders, and fans worked together to bring fame to the Class of '69.

Superior students undaunted by the steadily increasing work load were Ginny Burns, Kelvin Chin, Pat Fanning, Karla Johnson, Tom Lydon, Kathy Orme, Mary Parkinson, and Barbara Tausey. In academics as well as athletics we strove to establish prestige.

As our second year drew to a close, we all looked forward with mixed emotions to the important year ahead.

#### "An Obstacle Course"

#### HISTORY OF THE CLASS OF 1969 OUR JUNIOR YEAR

Back we came in '67 to a new role — "upperclassmen"! This year of pressure brought many changes to our lives, some obvious and some imperceptible.

Our elections this year were close, calling for several recounts, with this group the final outcome: Dave Mogan, President; Fred O'Connell, Vice-President; Ann Poniatowski, Secretary; Kathy Orme and Bob Donovan Treasurers; and Debby Scollins and Steve Fischer, A.A. Representatives.

Our class contributions were too great to enumerate. Many former J.V. players graduated to Varsity, growing in skill and enthusiasm. The Junior cheerleaders, Kathi Donovan, Janet Ostrom, and Betsy Acker, brought talent and spirit to all athletic events.

Academically, the Junior year seemed to be a "make us or break us" one. We plowed through the PSAT, NMSQT, and

CEEB tests and were introduced to Chamber of Commerce Essays. By faculty vote, these members of our class joined the National Honor Society: Richard Bayer, Kelvin Chin, Patti Fanning, Karla Johnson, Barry Levine, Roy Lydon, Sue Nolan, Joanne O'Day, Anne O'Donnell, Kathy Orme, Tara O'Toole, and Barbara Tausey. Chris McQuillan and Barry Levine were finalists in the AFS exchange student competition; Barry was chosen as our ambassador, his destination Thailand. Roy Lydon was given the Harvard Book award as the outstanding Junior boy.

Spring arrived, bringing with it the flurry of preparation for the Junior Prom. On May tenth we danced to the music of Jeff Stoughton and his orchestra in the southern-plantation-styled cafeteria.

In June we bid a sad farewell to the Class of '68, knowing we would be taking their places in three short months.

#### "At The Summit"

#### HISTORY OF THE CLASS OF 1969 OUR SENIOR YEAR

Fall 1968 finally ushered in our last year on the Hill. As Seniors we responsibly undertook our role as leaders of the student body. This year we had a charming new member to help us — German exchange student Barbara Mueller.

Our election of officers was enlivened by two startling upsets. David Mogan and Fred O'Connell returned as President and Vice-President, but our Secretary of three years was unseated by Jean English, and the office of Girls' Treasurer was ceded after two years by Kathy Orme to Deborah Brady. Bob Donovan and Debby Scollins were reelected Boys' Treasurer and Girls' A.A. representative, and Dick Donovan ran unopposed for Boys' A.A.

During our Senior year we set many precedents which we hope will become tradition. In the fall we held the first NHS Senior Auction and Dance (SAD). With Mamee Clark and Jerry Drummey as auctioneers, many members of our class were sold to underclassmen. Senior slaves carried books, opened doors, and bought lunches. That night a "sock hop" was held in the boys' gym, where we were entertained by the Filet of Soul. The two days were highly successful in terms of both finances and fun.

Another of our triumphs was the approval of a Senior Semiformal; the buffet and dance, with music by the Filet of Soul which were held on February 20 at the King Philip Inn in Wrentham.

The Senior Play, "Good Morning, Miss Dove," was presented on December sixth and seventh. Director Mrs. Louis Buscone brought out the star in Thespians Mamee Clark, Ellen DiCicco, Ron Ostrom, Mary Pazniokas, and Charlie McAuliffe. These were the leading performers, but the entire production encompassed the talents of many other Seniors as well.

Our abundant musical talents were channelled into April's production of

"Guys and Dolls." Many thanks are due to the Music Department and all faculty members and students who made possible the musicale's success. Leading roles were played by Ron Ostrom, Paula Greene, Virginia Syverson, Charlie McAuliffe, Dan Eysie, Doug Fisher, Peter Garvin, and Doug Lawes.

Under the relentless pressure of Editorin-Chief, Tara O'Toole, the Hilltopper was transformed during the year into a real newspaper, complete with ads, photos, and a professional printing job. Editors' chairs belonged to Chris McQuillan, Mark Wilson, Patti Fanning, Nancy LeBlanc, Lynn Horsman, and Dick Shay; the faculty adviser was Miss Clines.

Our major publication, of course, was the 1969 Tiot. We scored many firsts here, too, as the format was revised and exciting new concepts were introduced. Co-Editors-in-Chief Kelvin Chin and Mary Pazniokas spent many long, tiring hours on the job accepting only the best from their staffs. Other editors were the following: Circulation, Anne O'Donnell, Joanne O'Day, Richard Bayer, and Doug Fisher; Advertising, Rick Talbot, and Kathy Orme; Sponsor editors Ellen DiCicco and Tom Lydon; Art Editors Marilyn Clinch, Art Saarinen, and Susan Koval. Mrs. Florence Riley was the adviser.

Sports have been of major interest to the Class of 1969 since our freshman year. Football aces Dave Mogan, Fred O'Connell, Tom Gugliotta, Steve Fischer, Jack Adelmann, and Bob Donovan worked their way through four years and deserve praise for their accomplishments of each year. Dave Mogan piloted the '68-'69 season.

In basketball our '69 team's spirit and skill rendered their overall lack of height insignificant. Many of these boys have also been playing since the ninth grade. Taking the cue from manager Jim Tenety were hoopsters Dan McQuaid, John Eagan, Clyde McCray, Norm Sacco, and Mark Wilson. Leading them were captains Tom Gugliotta and Walt Litchfield. The climax of the season was an uproarious Student-Faculty Game, complete with cheerleaders true and very false; only the "scorekeepers" know the actual outcome. The game was followed by a brief "sock" hop.

Our hockey squad, thanks to the return of several seasoned veterans and the astounding use of many newcomers by Coach Wheeler was a champion second place team. Co-Captains John Ranalli and Dick Donovan led Gerry McTernan, Tom Taylor, Gary Sortevik, and goalie Artie Harris to a well-deserved Tourney berth. Their industrious manager, Jerry McDermott, has been with these boys for four years. Much more could be said in tribute to these boys, but suffice to say that theirs was a valiant fight all the way from the bottom to the heartbreaking loss at the Arena.

Senior cheerleaders, never lacking in talent or energy, were Betsy Acker, Janet Ostrom, Nancy Patsos, and Captain Kathi Donovan.

A tribute to the dauntless spirit of our class is that we accomplished all our winter activities in spite of the adverse weather. '69 had the dubious privilege of witnessing more snowstorms than many, many preceding classes.

In May we held the Senior Prom, our foremost social event of the year; young ladies and gentlemen blossomed suddenly with the realization of the prominence of this May evening.

Our final days at NHS were marked by both regret and celebration. The Class of Nineteen Hundred and Sixty-Nine eagerly looks to the future with the knowledge that we can and will accomplish what we wish. We bid a fond and reluctant farewell to Barbara; and we leave with gratititude to all who have made our high school years profitable, and a good luck wish to the classes we leave behind. We step forward keeping in mind that "It is not enough to have great qualities; we must also have the management of them."

Three Top Senior Men

Left to Right: Mogan, Chin, Piccirilli

#### Triad on the Hill

The three in the picture above are probably the most influential students at Norwood High School this year. They are David Mogan, 1969 class President, Kelvin Chin, editor-in-chief of the Tiot, and Paul Piccirilli, Student Council President. The three not only held these prestigious positions during their senior year, but also accomplished much in their academic endeavors.

Dave Mogan, a potent component of the championship wrestling coterie, also served as Captain of the Norwood Mustang Football Team this season. His superior athletic tactics and scholastic ability should win him a spot at Bates next year.

Kelvin Chin has been a permanent

member of both the Marching Band and Stage Band during his high school years, not to mention his long-standing National Honor Society status. His worthy service as editor of the 1969 Tiot wins him a top spot in the N.H.S. Hall of Fame. Kelvin currently hopes for a well-deserved ticket to Harvard next fall.

Paul Piccirrilli is known throughout our hallowed halls for his memorable service to the school as president of a most productive Student Council. The astounding success of Paul's Senior Auction is only one example of his devout school spirit and worthy leadership qualities. Paul will continue his academic career next fall at Bridgewater State College.

#### Poignant points in my memory

My anticipation and trepidation upon arriving in Boston, on August thirteenth and meeting my American "family."

My bewilderment at how hard it was to understand English, which I thought I knew a bit about.

My first days at NHS, when I had so much difficulty finding the right way to the classrooms.

My visits to Boston and the awe-inspiring view from the top of the Prudential Center.

The delicious turkey dinners at Thanks-

giving and Christmas.

My pleasure in participating in the Hallelujah Chorus and the Christmas Concert.

Learning about American college life and customs at Harvard University . . . a liberal education!

All the wonderful teachers and students at NSH, who were so kind to me all year

The new friends I found here, my "sister" Linda and all the Reynolds, who were a marvelous host family.

### Curricula

If the stream of culture is to be maintained, the violent overthrow of our educational system cannot be permitted and the radical minority must be convinced that change is not always betterment. This requires that school curricula be expanded and frequently re-evaluated, and that young people be given the chance, with proper guidance, to have a greater share in mapping their own education. Values must be taught by precedent and example, but they should not be imposed on a new generation without these young people having the chance to explore, discuss, and decide what values are important to them. More and more youth are demanding individual educational opportunities. A balanced curricula enables the students to discover in which areas they excel and then prepares them sufficiently to "do their own thing."

#### Guidance Department

**Guidance Department** 

- 1. Mr. Morris points out his favorite joke.
- 2. Mrs. Goepner shows the family pictures.
- 3. What's so funny about Cathy wanting to be a plumber, Mr. Parker?

After a busy summer the Guidance Department which operates round the calendar settled quickly into smooth, full-time performance. For the first time in its history the staff remained intact, resulting in a stability that benefitted everyone concerned.

Preparation for the evaluation procedure was an added dimension to the usual program. The challenge of meeting the visiting team provided an exhilaration which carried over throughout the year and will be felt far into the future as the staff strives to fulfill the many constructive recommendations presented for our consideration.

This year we joined the Education Cooperative in conjunction with twelve surrounding towns. The main concern of this organization is a program in guidance for the non-college bound students. In this group we will be considering vocational assessment and counseling, training and placement, community education and curriculum changes. With colleges becoming more selective and the economy becoming more technical, it is evident that the young person who does not seek academic training must seek vocational training. There is no place for the unskilled worker in society today. The high school curriculum will be designed to accommodate the student who desires to perfect a saleable skill on the secondary level, while the guidance department will be equipped to aid the student who desires to seek special training elsewhere in grades 13 and 14. No longer is preparation for college the main concern of your high school. Instead we hope to offer a complete guidance service for all students in the community.

Counselors are often sent out by the school department to attend significent conferences held in the greater Boston area and sometimes even farther afield. In this way the community of Norwood is able to relate to the mainstream of current trends and practices in the nation at large assuring two-way communication between society and school.

#### English Department

**English Department** 

- 1. Mrs. Fiore pleads with Kathy.
- 2. Joanne on the spot.
- 3. Susan, Steve, and Marilyn testing their dramatic abilities.

The Norwood Senior High School English Department offers a wide vareity of courses in the English language and in literature. Course offerings are planned to develop and increase power in the use of language skills, to provide an introduction to and a basic understanding of our literary heritage, and to enrich and enlarge personal horizons.

Students are helped to develop an awareness of both the practical and aesthetic aspects of all phases of the traditional English curriculum. Various literary types of all ages and cultures form the core around which revolve rhetorical, compositional, grammatical and oratorical experiences of the English classroom. Special instruction is provided through the Developmental Reading and Study Skills Programs to increase the students' comprehension and rate of reading speeds.

The English Department also offers to selected students a variety of elective courses: Drama; Public Speaking; Creative Writing; and English 400, a seminar entitled "Utopian Societies in Literature." Introduced this year was a lecture seminar course, "An Introduction and the Humanities."

Norwood High School students are assigned to English courses, which, insofar as possible, are specially adapted for their needs, interests and abilities. A curriculum guide, prepared by members of the English Department, summarizes the aims of the English curriculum and guides the faculty in its presentation of the total English program.

#### History Department

**History Department** 

- 1. Mr. Sweeney, this book should be censored!
- 2. Believe it or not, Mr. Bonin, this is Russia.
- 3. Aw, come on, Mr. Nolet, would I do a thing like that?

The Norwood Senior High School History Program is designed to develop well-informed citizens by providing more depth and continuity in subject areas and more variety in course selection.

Courses have been offered to the student on the advanced level in Ancient Civilization and American History I. Upon successful completion of these courses, students advance to Western Civilization and American History II. Those students who are taking American History I and II are encouraged to take the Advanced Placement Examination which will, in some colleges, give them six credit hours toward degree work.

For the college preparatory student, Ancient Civilization or American Government is offered in the Freshman year. Sophomores will take Western Civilization, and Juniors will take United States History. At the Senior year level, the college preparatory student has a wider selection of courses. The student may select any two of the following courses, which will be given during two terms in the academic year: Asian Studies, Russian Studies, International Relations, or Recent United States History. A full year course in Economics is also offered for the college preparatory student.

For those students who do not plan to continue their education beyond the secondary school level, courses are offered in American Government in the Freshman year, World Geography in the Sophomore year, United States History in the Junior year, and a choice of ether Contemporary Affairs or Economics in the Senior year.

#### Science Department

Science Department

- 1. That wave generator really turns Joanne on.
- 2. Charlie, Don't think you have us fooled. We know it's Playboy.
- Hey, I can see myself!

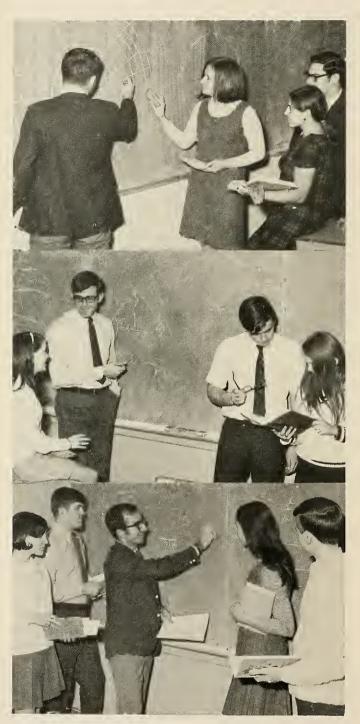

The Science Department continues to grow annually, and the wide variety of courses offered for selection reflect the changes that have taken place in the sciences over the last decade. We are continuing with the Biological Sciences Curriculum Study, Blue and Yellow versions. These science programs rely greatly on the use of the laboratory as an integral part of the student's learning activities and contribute to an understanding of important biological concepts. For those students with a special interest in Biology or in related fields, an advanced course in Biology is also offered. This course also relies on the laboratory activities concepts.

This year for the first time, two classes of Sophomores are taking the Chem Study course which emphasizes the most enjoyable part of chemistry-experimentation. The laboratory work provides the basis for the development of chemical principals. It will be possible for these students to do advanced work in chemistry which we are due to offer in 1969-1970.

We are continuing with PSSC Physics course, which is also a laboratory-oriented course. Principles grow out of observations made in the laboratory. Some new experiments have been added, and some of the older ones have been changed so as to make some of the basic principles easier to recognize.

With the interest in space travel, our Earth Science course becomes more important. This course stresses the basic facts concerning the earth: its make-up and movements and its relation to other planets. We stress laboratory work because it contributes so much to interest in and comprehension of the course.

#### Mathematics Department

**Mathematics Department** 

- Tom has Mary in a whirl.
- 2. Pete excels in creative math.
- 3. The Gentile approach to higher mathematics.

For the first time, the mathematics department has available a computer terminal for use in solving mathematics problems. The model 33 teletype unit, which is housed in room 19, looks very unimpressive. However, through the miracle of electronics this terminal can converse with a computer in Boston.

One simply dials the number of the Boston computer and the computer will answer the telephone and is ready to solve the problem.

The computer is a General Electric model 235 which can handle forty different requests at the same time. It performs its function so rapidly that no one would suspect that there were thirty-nine other people using the same computer.

The pedogogical reason for having the computer as a supplement to the mathematics curriculum is simply this: If one can tell the computer how to do a problem, then one has learned how to do the problem. This hypothesis is based on the fact that in order to get the computer to execute a problem one must break the problem down into small elements. In this way one cannot help but learn how to do the problem.

Plans for the future include the utilization of space in the planned resource center for this terminal. This will provide access to the computer for students during the evening hours and possibly on Saturdays.

An important side benefit of using this tool for mathematics problems is that one becomes familiar with computers and computer programming which usually affect every aspect of our life. In the not too distant future students will be leaving Norwood High School with considerable skill in computer programming.

#### Foreign Language Department

Foreign Languages

- 1. Is Latin really a dead language?
- 2. They're really speaking English.
- 3. Oh oh oh, Kathy! Il faut payer!

Students at Norwood Senior High School may study French, German, Spanish or Latin. The first year of French may be completed at the Junior High School and continued through the four years of Senior High School. German, Spanish and Latin may presently be studied for four years.

The ultimate objectives of modern language study are to develop aural comprehension to the point where the student will be able to understand with reasonable accuracy the language as spoken at normal speed by a native of that country; to develop oral ability to the point where he can express himself verbally with reasonable fluency in correct and idiomatic language; to develop reading ability to the point where he can read literary language with ease and appreciation for style, and to develop writing ability to the point where he may compose language which is simple and correct, with varied vocabulary and precise usage of words and expressions. In addition to the development of these skills, another goal is to develop a deep appreciation and knowledge of the culture and civilization of the countries whose languages are being studied.

Some general objectives for the Latin curriculum include: to equip the student with the fundamentals of Latin in order to permit him to read the language with understanding and appreciation; to acquaint him with a selection of Latin classics; to develop a facility for understanding the structure of language; to develop in the student an awareness of the vast number of English words derived from Latin and to acquaint him with the content of classical civilization and its relevance to today's world.

#### Business Department

**Business Department** 

- 1. Reaching for an eraser when Miss Fulton's back is turned,
- 2. It all adds up.
- 3. Keep your eyes on the book, Kathy!

Business education is an essential part of the American way of life and its culture. It must take into consideration the vocational education and the general education of future citizens. The aim in business education, therefore, is to teach skills that will enable young citizens to earn a living and to contribute to their general knowledge and well-being for the rest of their lives.

To meet the challenge of business education, our Business Department offers the following courses: bookkeeping, business law, general business training, junior business, office machines and filing, record-keeping, stenography and typewriting. Many students take a series of courses to provide them with vocational training as terminal students who will secure full-time business positions. Other students will select certain courses to provide for their personal needs.

Business requirements and the responsibilities of business positions are constantly changing. In a continuing effort to stay abreast of the trends in business, this year we have introduced a new subject offering, data processing. The course gives students a practical understanding of manual data processing and two types of automated systems for handling office work — the unit record system and the electronic-computer system.

The courses offer all students an opportunity to select subject matter to provide for their individual needs so that they may achieve satisfaction in a life work and in developing responsible citizenship.

#### Home Economics Department

**Home Economics Department** 

- 1. After this we can make paper dolls.
- 2. Maybe if you cut this off it will look sew-sew.
- 3. And they complain about the cafeteria lunches.

The Home Economics Department offers high school girls an opportunity to develop themselves as responsible individuals through class experience which can be put into practice in their daily living.

The girls are taught to use the sewing machine and to use patterns. Samplers of hand stitches are made. The ability to fit and alter garments while constructing them is taught. In studying fashion and good grooming the girls become aware of the principles of good grooming in regard to personal appearance. Tailored garments and techniques of making coats and suits are included in the advanced classes.

The fundamentals of good nutrition and planning breakfasts, lunches, and dinners are taught. Good safe housekeeping practices are emphasized, and correct rules of tablesetting for different types of meals are learned.

The girls enjoy the art of simple cake decorating and flower arrangements. Field trips are planned; the girls visit a local florist with a visit through the greenhouse and showroom and then a most interesting demonstration by the floral designer. Several different floral arrangements are demonstrated and made for the girls. A trip to the Peabody School shows the girls the specialized art of cake decorating. Outside speakers visit the classes and give interesting demonstrations and lectures. Some of these are on fashion design, types of fabrics, making plastic flowers; kitchen demonstrations are given by the home service department of a local utility company.

The Elective Home Economics classes and Home Management classes are made available to girls not having time to take major Home Economics. In these courses the girls are introduced to many aspects of home life and family care.

#### Reading Department and Library

- 3. They're studying . . . Mrs. Sweeney must be around.

#### READING DEPARTMENT

The reading program at Norwood High School serves a two-fold purpose: Study Skills, the Freshman Program, is an attempt to bring all freshman students up to a level at which they can use the skills necessary for success in their senior high school program. The materials the reading programs employ in and out of school are fraught with contemporary issues and problems. The freshman course of study consists of various skills: main idea, inference, sequence, and imagery, all of which are applied directly to daily classroom assignments. Developmental Reading, an elective for upperclassmen, provides a chance to extend all the vital areas of reading. The upperclassmen skills are similar in many ways, except that the emphasis is on varying the rate of reading according to the material being read. Since reading is a continuous growth process, even the good reader can be encouraged to read at higher levels.

#### LIBRARY

The school library continues to overflow with books and students. This year, happily, hope for relief is dawning.

The plans for the new addition to the high school include a magnificent new instructional materials center so large there will be no longer any need for library attendance head counts nor for books stacked on window sills. Meanwhile, the library does its best to cope with the situation and to build its book collection for the future.

As in all the years since its opening, the library is indebted to the members of the Library Service Club for assistance indispensable to its operation.

#### Art and Music Departments

Music & Art

- 1. First you have to turn the record player on.
- 2. What's so interesting?
- 3. Who posed for these?

#### ART DEPARTMENT

Students, who in the Basic Art Course discover a particular interest in painting, are given time to explore media and develop needed techniques. They are encouraged to discover personal means of communication through the organization of the plastic elements to give form to their ideas. Students who become especially interested in the three dimensional arts may explore clay, wood, stone, plastics, and metals.

ART MAJOR PROGRAM: The Art Major Program is planned to challenge talented students who are interested in knowing more about the visual arts, and for those students who will make it their vocation.

#### MUSIC DEPARTMENT

Our elective program is very extensive and includes: Music Appreciation 1 and 2, Music Theory 1 and 2, Girls' Choir, Concert Chorale, Voice Class, Band, Woodwind Ensemble, Brass Ensemble, and Percussion Ensemble.

The performing vocal groups include The Concert Chorale (mixed voices) (65), The Girls' Choir (30), and The Madrigals (20). The Madrigals won an honorable mention at the Southeast District audition festival and nine vocalists were selected to participate in the annual District Concert with recommendations for all-state participation going to six students.

The performing instrumental groups include the Marching Band (80), Concert Band (69), and Stage Band (20). These groups are performing music of very high quality. In competition with approximately 75 schools from Southeastern Massachusetts, our Concert Band won the Class A Concert Band Trophy and our Stage Band was rated among the top three,

#### Physical Education Department

Physical Education

- The sky is falling, the sky is falling!
- 2. I can't hold them up much longer.
- 3. Linda lends a helping hand.

The physical education program is an integral part of the high school education, and it has been expanding rapidly in recent years. Participation by all students in some aspects of this program curricular, and extra curricular, is our aim. We also aim to develop correct attitudes towards play and to set up proper standards of sportsmanship.

Physical Education classes are held two periods per week for Seniors, Juniors, Sophomores, and three periods per week for Freshman.

The intramural sports offered to girls are field hockey, basketball, softball, archery and gymnastics; and to the boys because of limited facilities, basketball, and gymnastics. We plan to expand this program in the near future.

The interscholastic program is also a very important part of our Physical Education set-up. It is conducted for girls in field hockey, basketball, swimming, gymnastics, tennis and softball. Outdoor track for girls will soon be added to the program. For the boys, we offer football, cross country, soccer, basketball, hockey, indoor and outdoor track, gymnastics, swimming, wrestling, baseball, tennis and golf. La Crosse is the next activity planned to be added to our interscholastic schedule.

Health is a required class for all sophomore students. It is given two periods per week and is taught by the physical education instructors. The course consists of lectures on personal hygiene, first aid, drugs, alcohol, smoking, physical and mental diseases.

Each year the opportunities offered to the student body are expanded and refined, and we feel that the school is well represented in most fields of physical activities with a bright future ahead when we have our additional complex.

#### Industrial Arts Department

**Industrial Arts Department** 

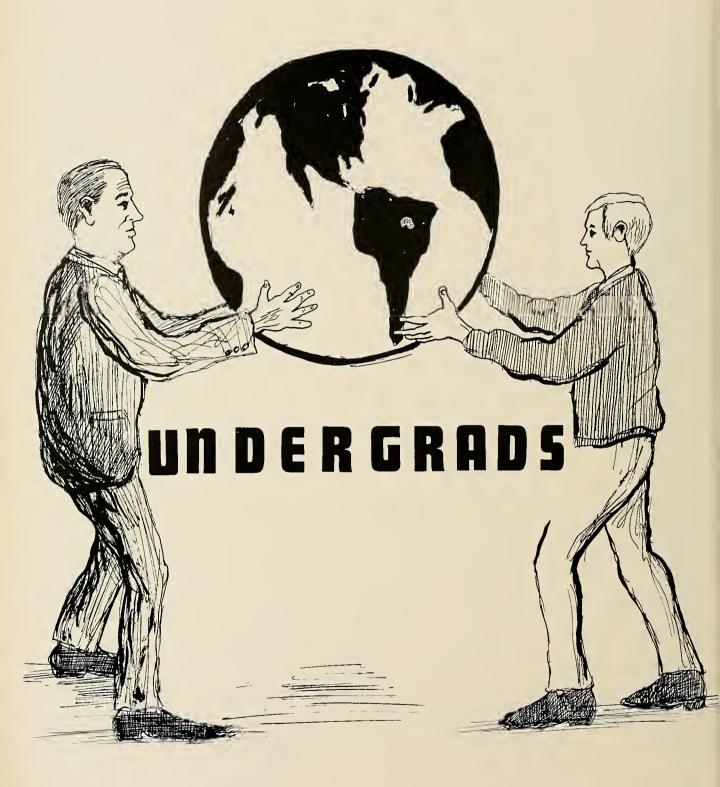

- 1. Did you use a ruler for those lines or a comb?
- 2. Pearls of wisdom, Mr. Pearl?
- 3. Now after the T.N.T., we'll bust into the bank right here . . .

Industrial Arts Education is designed to help prepare individuals for meeting the requirements of a technological culture. The students learn through direct experiences with tools, machines, and materials, and through close working association with classmates and teachers. The curriculum provides opportunities for the students to have comprehensive and enriching experiences that will enable them to acquire basic knowledge, understandings, and skills in the fundamental principles, techniques, procedures, and processes used in industry. The application of an idea from its inception in the mind of the learner includes planning, designing, laying out, cutting, shaping, fabrication, and finishing. It is designed to discover and develop student talents in industrialtechnical fields, while stressing skills in the safe use of tools and machines.

In addition, industrial arts electives offer an unequaled opportunity for students to develop leisure time interests and skills so necessary for a well-rounded life in an era of short work weeks and time-saving devices.

The individual courses provide experience in correctly performing operations involving basic industrial hand tools and common machines. They develop an appreciation of good craftsmanship and the ability to select and use wisely the products of industry.

Safety habits with hand tools and machines is one of the main objectives in all shop curricula.

## Undergraduates

As Seniors, we feel it incumbent upon us to impart a few gems of information to our younger brethren. We hope that their high school years will teach them that the best discipline is self-discipline and that the world will revert to chaos if all rules are suspended. This, however, does not eliminate the possibility of questioning the validity and relevance of many of the traditional viewpoints held in such high esteem by a few reactioneries. We have the privilege of making known our disagreement and of working by peaceful and cooperative means to change what we feel must be changed. Persistance, not lawless upheaval, can and will accomplish changes in our society that present day conditions demand.

#### A Third Year of Struggle and Success

At the close of summer 1968 the members of the Class of '70 dauntlessly returned to "the Hill" this time as juniors, in the year rumored to be the most difficult academically but also the most fun, socially.

They immediately set up their own "administration," reelecting Walter Orme as Vice President, Tom Kennedy as Boys' Treasurer, Joan Kelley as Girls' Treasurer, and Arnold Cushing as Boys' A.A. representative. President Billy O'Brien was elected by a write-in vote and other names on the slate of new officers were Betsy Curtin; Secretary, and Toni Manfro, Girls' A.A. representative.

Junior boys dominated many Varsity teams and were responsible for some very successful sports seasons. Through their tremendous efforts, victory after victory will be scored in the coming year.

Cheering the athletes on to fame and glory were Junior cheerleaders Sandy Columbo, Susan Bragg, Chris Phillips, and, in her first year on the squad, Nancy Smith.

As part of our preparation for future education, we took Pre-College Boards, Achievement Tests, and College Boards. The time had really come for serious consideration and determination of our future careers.

Thirteen students met qualifications of the faculty for National Honor Society membership. Two "scholars" of the Class of '70 were finalists in the Foreign Exchange Program, Margie Aldrich, and Leslie Finn.

After an unbelievable winter, the Juniors welcomed spring with the annual Junior Prom. Members of the junior class and their escorts gathered on Friday, May 9 for this momentous occasion.

Then came the end of a year crowded with work and play. The seniors graduated early in June, leaving us a taste of what it is like to be tops at N.H.S. The intrepid Class of the new decade looks forward to that feeling of seniority.

#### Second Time Around

In September 1968, the Class of 1971 returned as Sophomores to N.H.S. with nonchalant ease, proudly aware of the fact that they were no longer the youngest class on "the Hill." They were prepared to face the new and greater responsibilities and challenges which confronted them.

The outcome of the election of class officers was, for the most part, the same as last year's. The exceptions were the election of Ellen Donovan as Secretary and Eileen Crook as Girl's A.A. Representative. Those who were re-elected were: Paul Hartnett, President; Steve Kennedy, Vice-President; Joyce Gallagher, Girls' Treasurer; Cameron Kelly, Boys' Treasurer; and Patrick McQuillan, Boys' A.A. Representative.

The Sophomore Party, the first social event, was extremely successful. The theme was "Purple Haze" and the music was provided by the popular "Backstreet Journal." It was held in the girls' gymnasium which was smashingly decorated

by over one hundred Sophomore students. It was a very exciting and satisfying evening.

Outstanding members of the Class were: Eileen Crook who was the only Sophomore selected to the varsity cheerleading squad; Paul Hartnett, who showed his tremendous athletic ability while competing on the varsity football and basketball teams; the football team was also well supported by sophomores Robert Dickerson, and Pat McQuillan, and the basketball team by Joseph Porcello and Richard Soper. Philip Nolfi, John Clifford and Robert Thornton helped to carry the hockey team through another fantastically successful season.

With the knowledge and experience gained during the first two years at Norwood Senior High, the distinguished Class of '71 is ready to return to "the Hill" next September as upperclassmen.

#### An Enthusiastic Beginning

On an early 1968 September day a group of boys and girls entered a new phase in their scholastic life; they were now freshmen at Norwood High. A year of pleasure and study was guaranteed for all the students.

There were several major events which occurred early in the year. The most important of the year was the election of the class officers. The outcome of the election was as follows: President, Ed Hickey; Vice President, Joe Annelo; Secretary, Gail Flaherty; Boys' Treasurer, Louis Parker; Girls' Treasurer, Karen Tierney; Boys' A.A. Representative, Rickey Reese; and Girls' A.A. Representative, Janice Bacon.

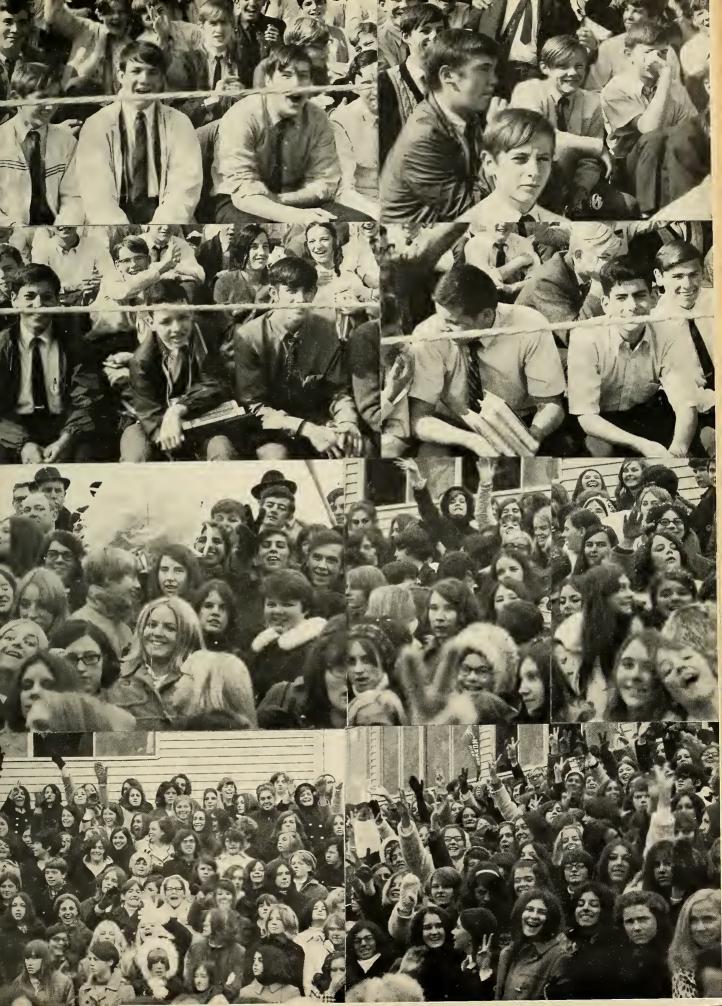

Early in September we had a competition for Cheerleaders among the freshmen girls, the choice to be made by the Varsity Cheerleaders. There were so many truly talented girls from our class who were auditioned that the final selection must have been a very difficult one for the judges. The select few who were chosen were: Captain, Joanne Thomas; Kathy Patsos; Beth Shea; Marie DeRoma; Lurinda Chin; Maria Roninelli; Laurie McConkey; Linda Jones; Mary McTernan and Paula Parise.

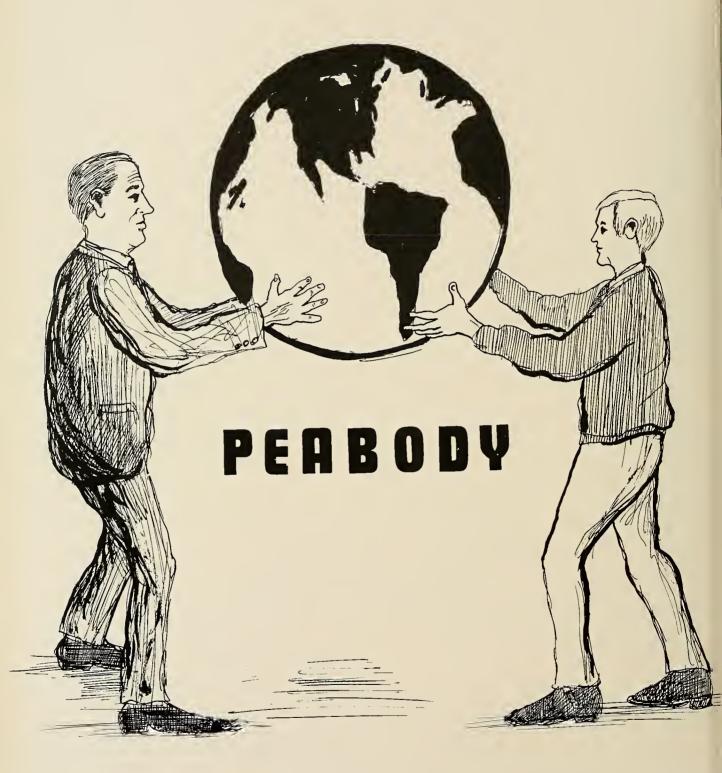

In mid-October the start of the NHS 1968-1969 social season was opened with the Freshman Party which was held in the cafeteria. The entertainment was provided by the group, "The Strange Broom." The dance proved to be an outstanding success.

Many freshmen participated in athletics. They were supported enthusiastically by the entire freshman class.

Throughout the year we were told that our enthusiasm surpassed that of any other freshman class in a long time.

#### Peabody

There used to be, and we hope there still is, a respect in America for the conscientious, careful craftsman, well-versed in the intricacies of his mode of livelihood. The immense benefits gained by labor unions for their constituents are unquestioned, but there is a growing tendency to ask for more and to give less. It is the fundamental reponsibility of the individual citizen to follow his own conscience and ambition as to his ultimate goals in life, and to place no restraints or obstacles in the paths of others seeking similar opportunities. Neither race, nor creed, nor color should stand in the way of any citizen seeking employment or a place to live. Our most cherished possession, the quality of hope, must be denied to no one.

#### The Henry O. Peabody Press Club

The Press Club of the Henry O. Peabody School aims to keep the alumni and the general public informed concerning the current students, staff, social events, and department activities at the school.

Membership of the club consists of a group of interested students representing each of the five departments in the curriculum. There is also a reporter-at-large, whose assignment is general school news. Each reporter writes up the activities of his or her respective department. This news is then combined in a column, known as "Peabody Personalities," and published periodically in *The Norwood Messenger* and other area newspapers.

Reporters for 1968-69 were the following: Judith Souza, Beauty Culture Department; Barbara Tower, Arthur Mosgofian, and Michael Rubino, Food Service Department; Mary Corcoran, Practical Nursing Department; Beth Stack and Joan Gallagher, Business Department; Susan Dzenawagis and Mildred Luce, Fashion-Dressmaking Department; and Nancy Heyn, reporter-at-large.

This year the Press Club has been under the direction of Mrs. Zaila Souther, Miss Rose Morrison, and Miss Marjorie McCready.

#### Student Cooperative Association

All students of the Henry O. Peabody School automatically become members of the Student Cooperative Association, an organization of student government sponsored by the Director and the faculty. Elected officers, home-room representatives and alternates encourage the acceptance of responsibilities as well as privileges, and stimulate the fine spirit of pride and achievement prevalent throughout the school.

The fall "Costume Party," a social gettogether sponsored by the Student Cooperative with the cooperation and participation of the faculty and student body was a tremendous success. "Operation Santa Claus" is a school project whereby students remember the children and the elderly in hospitals, nursing homes, and state institutions. The "Awards Program" at the closing of the school year honors those graduating and those winning special awards and scholarships.

Elected officers for the year 1968-69 were: President, Gary Marchand; Vice-President, Ralph Jones; Secretary, Noreen Smith; and Treasurer, Ronald Denning.

Faculty sponsors this year have been Miss Marion Martin and Miss Amelia Peters.

#### Activities

Taken on a superficial level, the extracurricular activities of a student can be said to be just something to occupy his time outside the classroom. However, they also provide an opportunity for a mediocre student to shine in an area not available in his daily curricula, and for an outstanding student to taste the non-academic life. The large enrollment in such activities proves youth's willingness to accept responsibility and to further improve relations with each other on something other than a classroom basis. These activities enable each participant to involve himself with the various phases of non-academic life, and to concern himself with others outside his scholastic sphere. Memories are filled with things like this; the contributions we make to the school and the relationships which we establish with each other all serve to improve the reservoir of human love and consideration.

Student Council Officers and Executive Board

#### The Council's Agenda for the Year

This year's Student Council under the leadership of Paul Piccirilli, President; Steven Talbot, Vice President; Deborah Kelley, Secretary; and Ronald Ostrom, Treasurer; enjoyed one of the most successful and active years ever. The Council's Executive Board consisted of Michele Eysie Chairman; Beth Wright, Charles McAuliffe, Barry Levine, Joan Kelley, Barbara Jansen, and David Boch.

The Election Commission consisting of Ellen Kenney and John Ranalli, Chairmen; Kathleen Orme, Anne O'Donnell, Fay Donovan, Robert Donovan, Edward Coughlin, Ann Phalen, Andrew Malacaria, Marjorie Aldrich, Paul Donovan, Jean English, Ann Fox, and assisted by the officers and executive board of the Council, ably supervised and published the results of all school elections. The members of this commission earned and won faculty and student approval for their considerable work, efficiency, and honest procedures.

Senior members of the council spent many hours planning for the annual dance which proved to be the biggest social and financial success in the history of the council. This year a combined Senior Auction and dance was held. Known as the S.A.D., members of the senior class were auctioned off to underclassmen. In turn

the seniors were required to carry the books of underclassmen to classes and to attend the "Sock Hop" that night featuring the "Filet of Soul."

Under the direction of the Council over \$300 was contributed to the Boston Globe Santa.

The Council sent delegates to the Spring Convention of the South Eastern Massachusetts Division of Student Council, which was held in Brookline on April 12th.

The Council also played an Exchange Day with members of the Needham Student Council. This exchange proved to be both worthwhile and informative. The annual Student-Faculty Basketball game with proceeds going to the Foreign Exchange Fund, which has always been a highlight of the year, was held in March.

The Council hosted a reception in March for twenty foreign exchange students from surrounding towns. Members of the student body were invited to attend to take part and exchange ideas.

The Council extends heartiest thanks and best wishes to Miss Mary Hubbard, Adviser, and to Mr. George Usevich, for their support and advice throughout the year.

#### Le Cercle Français

During the academic year 1968-69, le Cercle Francais enjoyed the enthusiastic membership of thirty-five girls governed and directed by Susan Nolan, President, Doreen Maloney, Vice-President, Margaret Bamber, Secretary, and Sheila O'Toole, Treasurer. The faculty sponsors were Miss Yvette Gagnon and Miss Nancy Guy.

The group went to Boston to see "L'Enfant et Le Vieillard" at the Exeter Theater in November. The girls also enjoyed a French dinner at "Chez Jean" in Cambridge, and saw another French film at the Brattle Theater in Cambridge.

The group had the opportunity of seeing numerous color slides taken by Miss Gagnon while she was studying in France. They also heard French records by such well known French singers as Charles Aznavons and Edith Piaf during activities periods. Also during activities periods, rehearsals for three scenettes: "C'est la Guerre," "Vive la Différence," and "Un Peu Exagéré," which were directed by Miss Gagnon.

A French newspaper containing articles written by the club members and edited by Miss Guy was compiled and distributed in the French Department.

#### El Club Español

The purpose of El Club Espanol is to explore different aspects of the life and customs in Spain and other Spanish speaking countries. It also gives members a chance to practice conversation outside the classroom and meet other students with a common interest.

This year there are approximately twenty club members from all different levels of Spanish. The present officers are President Audrey Sall; Vice-President Deborah Bell; Secretary Earla Bayides and Treasurer Patricia Collins.

The highlight of the first semester was a discussion of the Incas of Peru. It was enhanced by Mr. Reagon's presentation of beautiful slides of Machu Pichy, the lost City of the Incas. Mr. Reagon gained first hand knowledge of life in Peru through his work in the Peace Corps.

During the holiday season the members of the club investigated the various customs of Spanish speaking countries connected with the celebration of Christmas. This included listening to and singing Spanish Christmas Carols.

In the second semester plans were made for a trip to the Spanish Center in Boston. In preparation for this the members made coloring books to distribute to the children of the Center. To climax the year the club went to a Mexican Restaurant for dinner.

**Hilltopper Editors** 

Front: McQuillan, Wilson
Rear: Fanning, Shay, Horsman, LeBlanc, O'Toole

#### The Hilltopper Has Done It Again

After investigating the printing charges of all print shops within a twenty-mile radius of Norwood, the Hilltopper editors were forced to abandon their dreams of full-page color photographs, fifty-page daily editions, etc. Difficulties other than costs, also presented setbacks:

- (A) Lack of staff members at general meetings and an overabundance of same at yearbook pictures.
- (B) Memory-failure of one editor-in-chief resulting in loss of one printer.
- (c) Mysterious disappearances of sundry articles.
- (D) Communication breakdowns between editors and staff.

- (E) Sudden assignments of twenty-page term papers to editors on eve of prescheduled editors' meetings.
- (F) Badly timed snowstorms.

However, due to the patient efforts of Miss Clines, the faculty adviser, the timely assistance of Mr. Pearl of the printing department, and the eleventh-hour tactics of the staff, the *Hilltopper's* appearance and content reached an encouraging high point.

Also invaluable to the paper's success was Mark Wilson, Circulation and Typing editor, who counted the money, collected the typed articles and mailed out the bills (everyone agreed Mark was a Very Good Circulator). Dick Shay headed the pho-

tography department and did a marvelous job despite a faulty light-bulb attachment and unfavorable lighting conditions (Dick was also our Top Poster-Slogan Man). True to form, Patti Fanning directed her Literary Department with smooth efficiency. Nancy Leblanc's talents were put to good use illustrating articles and drawing posters, and Lynn Horsman did a great job in her somewhat unusual position as the First Female Editor of the Sport Staff. Features Editor Chris McQuillan filled her position well, and her refusal to get particularly upset about anything

was very useful in times of stress. News Editor Dorene Maloney had the difficult job of convincing her staff that news articles were fun to write and must be researched. And finally, Tara O'Toole had the sometimes not-so-nice job (despite the rumors) of telling everyone else what to do. (She loved it).

The seniors of the 68-69 Hilltopper leave all future staffs with the hope that some things we did with the paper are worth doing again, and the wish that perhaps . . . next year's Hilltopper won't be completely new.

Math Team

Seated: Lydon, Wisgirda, Yankum. Standing: Forbes, Shay, Immonen, Santoro, Shagoury, Thing.

#### Trig Tractions

The Norwood High Math Team of 1968-1969 was not exactly tops in the state, but it was by far not the worst either. The loss of one former senior, namely Dana Craig, Class of 1968, created a big void and Miss Tolini was forced to recruit from her freshman classes to add to her future prospects.

Through the first three meets of the Greater Boston Math League, freshmen Steve Shagoury, Jean Wisgirda, and Bob Thing turned in respectable jobs, although having to cope with sophomore and junior math more than half of the time. Returning juniors Steve Yankum and Jay Immonen proved to be valuable mainstays in the middle divisions of Geometry and Algebra II.

John Santoro, a new senior on the staff, had to overcome a few problems, but

he scored adequately in the second and third meets. Returning senior anchormen Dick Shay and Tom Lydon were the most dependable point-getters, especially in the more difficult Algebra II and Trig, and the underclassmen will have their big shoes to fill next year.

Briefly, the Math Team competes in four meets a year at different league schools, and out of five contesting members, three take part in each of five events, Arithmetic, Algebra I, Geometry, Algebra II and Math IV, plus the team question, on which all five work together. There are three problems in each event, worth one, two, and three points, so the maximum any student can receive is 18 points. The team question is worth 10 points, in two-parts. This is the set-up.

#### The Ballot Box Officials

The Election Commission consists of the students who are elected from the Sophomore, Junior and Senior members of the Student Council. Officers of the council work with the commission when help is needed.

The function of the group is to supervise all school elections, such as: Election of officers for four classes, election of Student Council officers, election of yearbook editors, and the election of representatives for Student Government Day. It sets dates, receives nominations, supervises the balloting and counting of all votes which have been cast, and publishes the results of all

elections on the bulletin boards. It assumes responsibility for efficient and honest elections.

The Co-Chairmen of this year's commission were Ellen Kenney and John Ranalli. Other members were Robert Donovan, Cathleen Orme, Fay Donovan, Ann Phalen, Andrew Malacaria, Anne O'Donnell, Jean English, Marjorie Aldrich, Paul Donovan, Anne Fox, and Edward Coughlin.

The Election Commission is a very important part of school life and its members earn and win faculty and student approval for their efforts.

### Sports

"Getting a piece of the action" is a commonplace axiomatic shibboleth of the present moment in young circles. We might add that in the ever-changing kaleidoscope of today's society, no one stands a chance who only observes the action from the sidelines. It is actual participation that brings the fullest satisfaction and most enduring rewards, whether we are speaking of games involving physical prowess and expertise, or whether we are discussing involvement in current issues such as youth's discontent, labor power, war, black demands, or the educational system. The goal in sports is primarily to win, not for personal satisfaction, but for the glory of one's Alma Mater. The goal in life should also be to win, that is to achieve fulfillment of one's innermost desires, but again not for just personal satisfaction and not at the expense of others, but so that we can make the best contribution of which we are capable to making this a better world in which to live.

#### We Had Our Ups and Downs

After showing great promise in preseason scrimmages, the Norwood Mustangs lost a hard-fought game to a strong Wellesley team, 14-8. An injury to starting half-back Steve Fischer hurt the Norwood offense, which never really got untracked until the end of the season. Sophomore Bobby Dickinson scored the home touchdown for the Mustangs on a quarterback keeper with Gugliotta going over for the conversion.

A week later, the Mustangs took to the road only to suffer another defeat at the hands of Braintree, 28-2. Long gainers and ineffective offense hurt Norwood in this one. The only score was on a safety by Dyke and Taylor. The next game was at home against Framingham South. With

two scores by Gugliotta and one each by Freytag and Taylor the Mustangs notched their first win 28-14. The Norwood defense really sparkled setting up three out of the four touchdowns on outstanding plays. Stalwarts in Norwood's front wall were Mogan, O'Connell, Dyke and P. Donovan. In the secondary, Gugliotta and Taylor were immense. The mud-soaked field in Natick provided a rather dismal setting for the first Norwood win at Natick in 25 years. The spirited Mustangs pulled it out 2-0 on a safety by Bill Freytag. This game was one of the high points of the season.

Against Needham it was just too much Gatto as the Mustangs lost 23-6. The lone Norwood touchdown was scored by Dyke on a recovered fumble. In the next game, a fired-up Walpole eleven sank Norwood 26-8. Gugliotta's third period score was no match for the three Walpole touchdowns in the first half. The low point of the season came when the Mustangs were blanked by Milton 20-0. It was a poor all-around effort.

The Mustangs bounced back, however, with a stunning upset of Framingham North 14-6. The offense finally clicked with 253 total yards. Fischer bulled over from the six before Gugliotta hit Parker with a 12 yard TD pass for the winning points. Senior Dave Mogan, Fred O'Connell, Steve Fischer, and Tom Gugliotta along with Juniors Dyke, Puzin, Denzer,

and Thomas were outstanding in this great effort.

The cold, dark day and the frozen field were a prelude to a sad day for Norwood on Thanksgiving. Again the Mustang offense sputtered with the only bright spots the touchdown pass from Gugliotta to Parker and a 45 yard run by Steve Fischer. The loss dropped Norwood to eighth place with a 3-6 record.

Steady players throughout the year were Seniors Tom Gugliotta, Captain Dave Mogan, Fred O'Connell, Tom Taylor, Bob Donovan and Steve Fischer; Juniors Joe Puzin, Barry Dyke, Paul Hartnett.

The class of 1969 wishes the Mustangs good luck next year.

## They Came Battling Back

Led by co-captains Tom Gugliotta and Walt Litchfield, the Mustangs soared to victory in their first league contest against Natick, 60-52. Seniors Norm Sacco and John Eagan displayed great board control.

Norwood then suffered two damaging losses at the hands of league powers Framingham South and Braintree. They next lost a tough game to Milton, 63-62. Senior Dan MacQuaid led Norwood scorers in each of the three losses.

The Mustangs rebounded against Walpole for a fine 59-41 victory. This was followed by a loss to league leaders Welles-

ley, 51-38.

A loss to Framingham North was followed by an overwhelming victory over arch-rival Dedham, 73-50. Co-captain Walt Litchfield was superb as he fired in 17

points.

The Nolet men journeyed to Needham where they dropped a 66-61 decision. This knocked the Mustangs from Tech Tourney contention and cast them in the role of spoilers. A tense 47-45 win over Natick was followed by losses to Framingham South and Braintree. Co-captain Tom Gugliotta

sparkled in the Natick triumph, while senior Norm Sacco did an outstanding job.

The Mustangs avenged an earlier loss to Milton by defeating the Whiz Kids 60-47. Senior Dan MacQuaid led all scorers with 20 points, while Clyde McCray followed with 12.

Then, in the most exciting game of the year, the Noletmen defeated Walpole 79-

72 in overtime.

The Mustangs scored their third consecutive victory by dumping Framingham North 66-54. Clyde McCray and John Eagan had 15 and 14 points in the win.

Norwood then dropped a 62-49 decision to Needham, but bounced back with a

big 74-56 victory over Dedham.

In the season's final game, the Noletmen were defeated by a much larger Wellesley squad, 70-63. Seniors Clyde Mc-Cray and John Eagan played superbly.

Throughout the season the hoopsters received strong bench support from Joe Porcello, John Eagan, Dick Laffey, Mark Wilson, Rick Soper, Tom Wysocki, Gino Romanelli, Dave Thomas, and Vin Mayo.

## Bay State Champions

For the second year in a row, the NHS Wrestling team has captured the Bay State League Championship.

Their 11-0 record indicates the great strength of this team as they had to contend with other strong teams like Braintree, Wellesley, Needham, and Framingham North.

The team got started off on the right track as they had no trouble at all defeating Milton 45-11.

From there, they went on to defeat Weymouth 35-17, Needham 37-22, Stoughton 62-0, Framingham North 45-14, Scituate 50-6, and Wellesley 27-23. Then came Braintree, and none of the many fans who were there will ever forget Senior Dave Mogan's great performance which brought the match home. With Braintree ahead 23-22 and only Dave's match left, which is the heavyweight division, the

pressure was really on him. Dave came through, defeating his opponent 4-1 and the whole gym was bedlam.

The rest of their schedule was an easy one; they went on to defeat Natick 52-6, Dedham 54-7, and Walpole 49-9.

They went on to the regionals, which were held in Natick this year, and placed second behind an inspired Weymouth team.

Graduating seniors Paul Piccirilli who came in first in the regionals, Dave Mogan, Bill Freytag, Bob Donovan and Chris Collins will be sorely missed.

Returning next year will be regional champs Bob Richmond and Paul Donovan, along with Phil Todd, Paul Carr, Jack Hopkins, Joe Puzin, John Reynolds, Tom Desisto, John Moynihan, Mike Piccirilli, and 'Gary Sheehan, who all wrestled as Varsity this year. John Murphy

## Summit Contenders to the Last Goal

The 1969 edition of the Norwood High Varsity Hockey Team continued to follow the tradition of excellence in the School on the Hill's favorite athletic pastime, as coach Don Wheeler and assistant Jim Gormley piloted the team to a close second place finish behind powerhouse Needham and an outstanding 15-3 record in the tough Bay State League this season.

The Mustangs couldn't have made it more exciting, as with a nine game winning streak, our icemen carried the league championship battle with Needham down to the final games of the season, and entered the Eastern Mass. Hockey Tournament with both a fine record, and high hopes of advancing to Boston Garden ice for the fifth straight year.

Senior co-captains Dick Donovan and John Ranalli backboned the club all season long with their experienced play and spirit, while tricky Dick scored 55 points enroute to being named all-scholastic center and in finishing second behind Needham's Ftorek in state scoring.

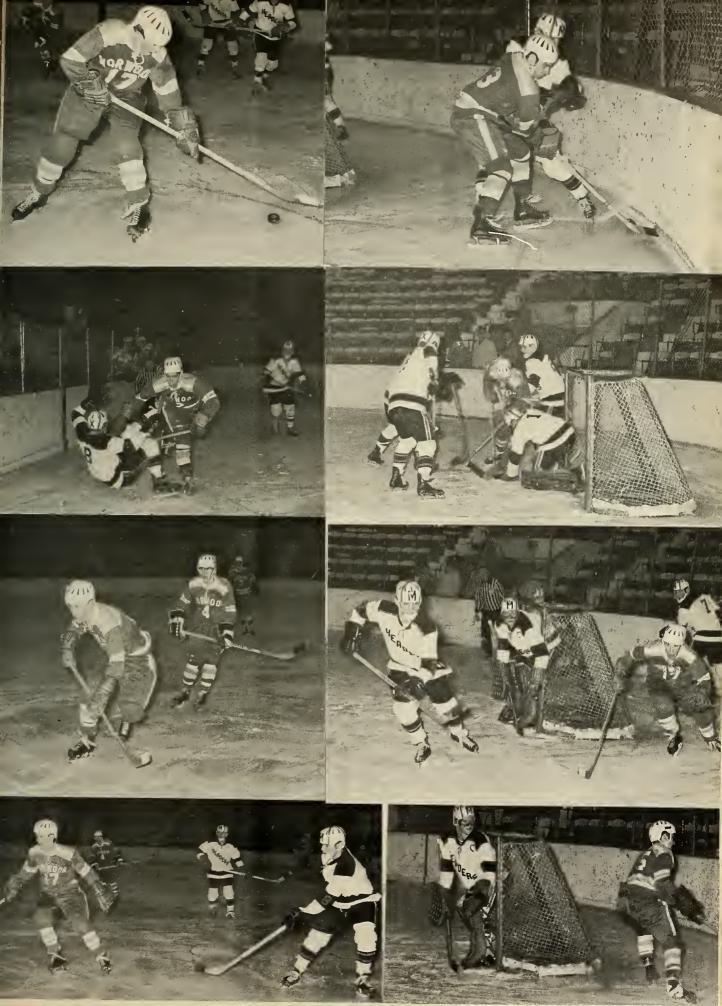

Netminder Arty Harris filled quite adequately the gap left by all-scholastic goalie

Neil Higgins, and proved to all that he could play with the league's best and hold his own in any situation.

Senior forwards Gerry McTernan, Tom Taylor, and defenseman Gary Sortevik anchored the rest of the team with standout performances like McTernan's six-goal output against Braintree, Sortevik's solid body-checking, and Taylor's 44 points right behind Donovan in total scoring.

Although many thought this might be a rebuilding season for Norwood, the unexpected contributions of several underclassmen, including freshman Pete Brown, sophomores Bob Thornton and Phil Nolfi, and juniors Guy Marzullo, Dan Feeney, Mark O'Connell. Pete Tamulionas, Ed Letts, Mark Flaherty, and goalie Frank Eppich, have given the team great promise for several years to come.

Despite the 3-2 fourth overtime loss to Marblehead in the tourney, which we shouldn't mention, our boys gave 101% at all times and produced a fantastic season that few thought possible. For this reason alone, they'll always be our No. 1 team.

# Class Will and Jestament

We, the Class of Nineteen Hundred and Sixty-Nine, being of relatively sound mind and body, do hereby proclaim this to be our last will and testament, bequeathing our most precious possessions, acquired during the course of four years on the Hill, to the undergraduates and others most deserving of the honor, and to declare all other endowments set forth in our name null and void.

- Article I: To Mr. Monbouquette we leave our greatest respect and gratitude for having taught us that which is "feasible and proper."
- ARTICLE II: To Mr. Piccirilli we leave our appreciation for his interest and energy, and a megaphone to help conserve the latter. We also leave him Charlie Robbins to straighten out the traffice situation at NHS.
- ARTICLE III: To Miss Ryan, her senior girls leave a golden lie-detector and a plaque reading "Our Director" to be hung outside the 229 suite.
- ARTICLE IV: To our Senior Advisers and all the Faculty we leave "Walnuttoes" and our sincere appreciation for their guidance during these four years . . . also a system of closed-circuit cameras to aid them in apprehending trouble-makers.
- ARTICLE V: To Mrs. Riley we leave a medal and a half for her perseverance with our editors in producing an outstanding '69 TIOT.
- ARTICLE VI: To Mr. Flaherty we leave a James Bond doll which when wound up points and says, "Are YOU chewing gum?" and "Do you have a pass?"
- Article VII: To Miss Johngren we leave a sponge for "II faut payer" and a marching brass band for her future "petites parades" around room 141.
- ARTICLE VIII: To Mr. Buscone we leave the first, fifth and sixth generation ENOC SUB's and innumerable "fudged" equations.
- ARTICLE IX: To Mr. Fiore we leave a portable refreshment stand for "Fiore's Physics Flicks," and a year's supply of color films.
- ARTICLE X: To Mr. Bonin we leave *The Juicy Picture Album* by Letz B. Gross for future driver's education classes.
- ARTICLE XI: To Mr. Usevich we leave a P.A. System to aid him in communicating his wisdom to admiring classes, some Q.T., and a box of shoulder pads.
- Article XII: To Mr. Nolet, we leave six 6 ft. 10 stiffs, many thanks for socking it to us, a pair of bermuda shorts, and a toupee.
- ARTICLE XIII: To Miss Mulhearn we leave lots of luck, and a soundproof, plush-carpeted studio for her drama classes.
- ARTICLE XIV: To Mr. Alberta and his outstanding Music Department we leave sixty-nine pairs of white bucks, some new practice rooms, and our appreciation for their helping us produce a challenging musicale.
- Article XV: We leave Mrs. Buscone in "peace" for the time and effort she has given to our class productions.
- ARTICLE XVI: To Mr. Peterson we leave a pamphlet "Utopian Poems" by Henry Gibson, and a copy of *One Hour* by Peter J. Walterson.
- ARTICLE XVII: Dave Mogan leaves his three titles to the five juniors it will require to replace him, as Class President, Captain of the Football team, and Captain of the Wrestling Team.
- ARTICLE XVIII: Patti Lou Curran leaves early to prepare for another of her parties.

ARTICLE XIX: The senior members of the hockey team leave Mr. Wheeler with his 100th victory, and hundred of enthusiastic fans who will never forget the 1969 season.

ARTICLE XX: Kevin Chin leaves his HoToi doll to an underclassman saddened at his departure.

Article XXI: Paul Piccirilli leaves his position at the Student Council podium to Steve Talbot along with a volume of *New Business Suggestions*.

ARTICLE XXII: We leave new traditions to the posterity of NHS: Senior Auction Day, the Sock Hops, a Senior Semi-Formal, and a squad of male cheerleaders.

ARTICLE XXIII: Barbara Mueller leaves Barry Levine as she returns to Germany.

ARTICLE XXIV: Mary Pazniokas, Kevin Chin, and the other Editors of the TIOT leave next year's yearbook staff with three snow storms to make productions matters worse.

ARTICLE XXV: Fred O'Connell leaves his tooth as a souvenir of his football exploits.

ARTICLE XXVI: Peter Garvin leaves echoes of his fantastic voice resounding in the

ARTICLE XXVI: Peter Garvin leaves echoes of his fantastic voice resounding in the auditorium, and over the football field.

ARTICLE XXVII: Dick Donovan, John Ranalli, Bob Rukstalis, Tom Gugliotta, Walter Litchfield, and Dave Mogan leave their titles to next year's hockey, track, basketball, and wrestling captains, but their outstanding performances can never be repeated.

ARTICLE XXVIII: To Mr. Bethoney, who is leaving with us, we leave the warning that hammerlocks and half-nelsons are not de riguer in the bond business.

ARTICLE XXIX: We leave behind many memories of the week before the Semi-Formal, Sandy Neck, our Sophomore Party, our successful projects and productions, and our '69 year.

ARTICLE XXX: Some of us leave the hallowed halls on the Hill with regret, and some with happiness, but we shall never be able to forget the joys and the disappointments we have experienced during our sojourn at Norwood Senior High School. The Class of Nineteen Hundred and Sixty-Nine leave with chins up and banners flying.

In witness thereof, we have hereunder subscribed our names and affixed our seal on this sixth day of June in the Year of our Lord Nineteen Hundred and Sixty-Nine.

# Advertising

The world of "Madison Avenue" represents that part of our culture or mores which is a far cry from what our disillusioned youth feel is the basic motivation for learning to live with and to love our neighbors. The acquisition of wealth and what money can buy is the "bag" of the Establishment, not of the young rebels, yet we all know that the possession of some money is essential to life and comfort, though it should not be the be-all and end-all of our existence. The good things of the world are not all to be spurned, and so we urge our public to read our advertisements and to support with their trade, the business men who contributed their support to the Tiot by the advertisements displayed in the succeeding pages.

The fire fighters of this town have only one job to do. Put out fires . . . save your life . . . protect all of us from fires, explosions, natural disasters.

The fire fighter wants to be your friend.

And he hopes that all of you will treat him as a friend.

One of these days, the fire fighter may be coming to your street — to put out a fire, to save your life or the life of your children, or your parents.

Merci Beaucoup

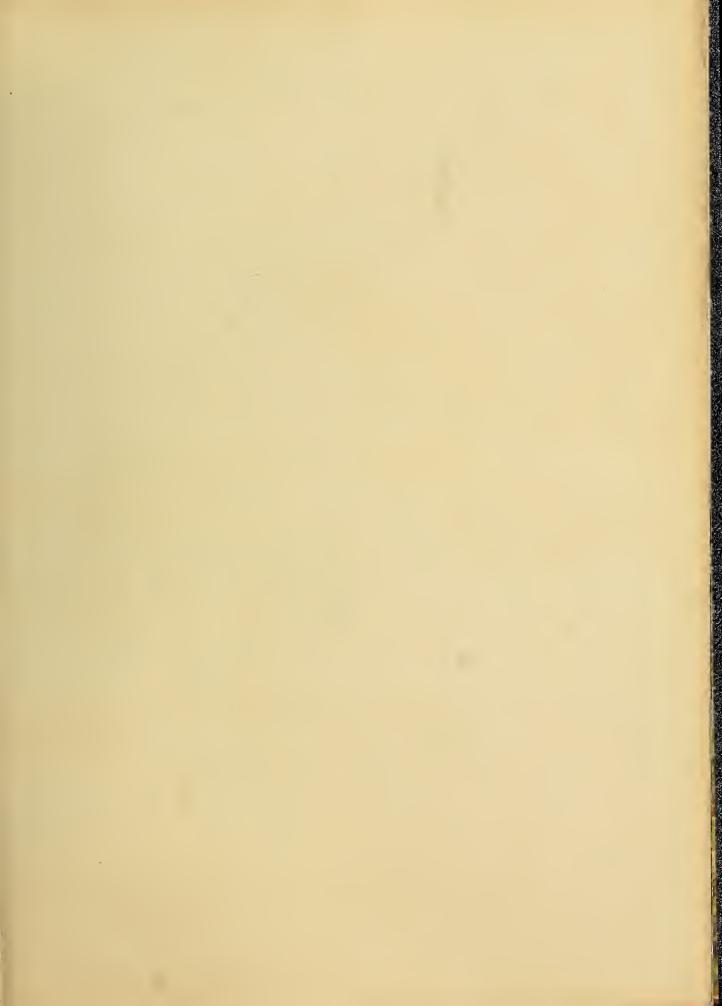

We wish to take this opportunity to thank the sponsors and advertisers who have helped finance this yearbook. At the same time, we wish to suggest to our fellow classmates and to all our friends who read this book that they patronize the stores listed in our advertising. Yearbook advertising may reach a more limited audience than newspaper advertising, but it is much more permanent and much more handsomely displayed, and it will be read through the years by all of us who cherish this souvenir of happy high school days.
